## REMINISCENSES OF OUR PIONEER DAYS

### Gleanings From the Records Left By Men Who Laid the Foundation of Our County.

A serious accident, the unfortunate results of which are still carried by a well known resident of this city, who despite the resulting handicap to his movements appears to be still hearty and nimble, occurred near Lobitas in the latter part of September, as the result of the old story of youthful carelessness in the handing of firearms. As reported in the newspapers at the time, the circumstances were described as follows: "On the 29th of September Nelson Paddock, one of our enthusiastic young hunters, met with a serious and painful accident, the reminders of which he will probably carry through his life. As he had done on previous occasions, Nelson decided to spend Sunday in the pursuit of game, his favorite pastime. Mounted upon a rather frolicsome horse from his father's farm, and armed with his favorite shotgun, Nelson sallied forth among the foothills. In his search for game he dismounted for a time, and it was while preparing to proceed on his journey that his trouble occurred. In attempting to remount the horse he passed the gun over the saddle, butt down, before taking his right foot from the ground. While in this position something startled the horse, causing him to make a sudden jump, jerking the gun from the boy's grasp. In the fall the hammer struck the ground causing the gun to be discharged while the muzzle was still in the air. Uufortunately for young Paddock he was directly in range and received the greater portion of the charge in his right leg, a portion of which was badly torn. Now was the time when the boy's grit stood him well in hand. Realizing that he was seriously injured and unable to help himself, he knew that his only chance lay in attracting attention from the first traveler over the nearby road, and for this purpose he began to cry for help. Fortunately the sadly needed help was not long in arriving and the wounded lad was conveyed to King's roadside saloon, a short distance from the scene of the accident, and from there word was rushed to Redwood City for medical aid and Nelson's parents notified. Dr. Kirkpatrick responded to the call and after giving temporary care to the wound had the boy removed to his sanitarium in Redwood. Here Dr. Kirkpatrick found the large bone of the leg so badly shattered that he decided it necessary to remove a portion about three inches in length. Although at the time of the operation Dr. Kirkpatrick predicted that no serious results would follow and expressed the opinion that within a few months the injured leg would be as good as ever. This hope proved to be groundless however and it was only due to the rugged constitution of young Paddock and the unremitting care of his mother that her survived the terrible wound. As it was, after nearly six months in the hospital the young man was sent out to make his way along life's rugged path sadly deficient in his power of locomotion. To most young men this would have dampened the zest of living, but not so with this disposition, and even to this day few men extract more enjoyments of their own from this turbulent existence than does "Deacon Paddock."

On the 4th of October, 1872, the members of Bay View Lodge of Odd Fellows celebrated the tenth anniversary of the institution of the Lodge. An unusual circumstance was the fact that unintentionally the ceremonies took upon themselves a somewhat dual character, as combined with the anniversary celebration the Odd Fellows dedicated to social uses Kuck's Germania Hall, which has ever since stood as one of the town's places for the holding of social functions. Although the Germania Hall was not then entirely completed, the plastering not having been put on the walls, it was the only place in the town of sufficient capacity to accommodate the large attendance which was expected and the owner of the building was induced to consent to its rather premature use. The celebration proper consisted mainly of an opening prayer by Rev. Jewett, pastor of the Congregational Church, and an eloquent address by Past Grand Master Charles N. Fox on the history of the lodge and the work it had accomplished since its organization. During the first ten years of its existence the Lodge had admitted 140 members and had paid out nearly $14000 in the relief of sickness and distress among members of the Order and the burial of its dead. Notwithstanding the expenditure of this large sum, the Lodge still had a goodly sum in its treasury and was seriously considering the idea of erecting a lodge building of its own. At the conclusion of his address Mr. Fox was presented by the Lodge with a handsome gold watch as a token of appreciation of the work he had done on behalf of the organization and the Order in general, the presentation being made by A. Teague. The celebration concluded with a banquet at Wilborn's restaurant and a dance in the hall.

Here is another birth notice from the issue of the Gazette of October 26th that may awaken memories of ancient history in the minds of some who are still residents of the neighborhood: "Born, in Redwood City, October 26th, 1872, to the wife of John Pool, a son."

That the trustees of the public school of Redwood City were overlooking no opportunity to advance its general usefulness is shown by an announcement made at this time of the opening of an evening class for the convenience of those who were unable to attend the day classes. The evening class was conducted under the direction of Mr. Warren, the principal of the school, and appears to have started with a fair attendance.

## REDWOOD REALTY IN DEMAND

### Local Firm Reports Increased Inquiry for Desirable Residence Sites

The Redwood City Realty Company reports business active during the past two weeks, the result being the following sales:

Lot 53, subdivision 2, Map 1, Wellesley Park; lot 54, same subdivision; lots 18 and 19, block 7; lot 3, block 6, (re-sale) subdivision A, Wellesley Park. Lot 1, block K, Wooster, Whitton & Montgomery Subdivision, account J. Daley; lot 13, 4, Reese tract; 92.73 acres, account George A. Kreiss; J. Freuler, Alameda; 60.43 acres, account George Kreiss, 32 acres, account Margaretha J. Koenig, and the Robert Brown ranch of 24 acres with improvements to J. L. McCarthy of the Western Meat Company; the Frank Towne residence on Phelps street to Henry P. Kreiss. C. G, Landscheit, manager of the company, reports several other sales now pending which will be announced later.

The road in front of Wellesley Park now being built by the Peninsular Railroad Company is looming up nicely. The Standard Oil Company is making plans to move the oil tanks to lots 13, 14, and 15 of block 7, Eastern Addition, recently sold to them by the Redwood City Realty Company, which when done will add greatly to the appearance of the front of the park. All that is needed now to complete the happiness of the residents of Wellesley Park is the car line, and promised depot. According to last Sunday's Call, Mr. Chapin, manager of the company, states that work to bridge the gap between San Mateo and Palo Alto will commence before the first of the coming year.

It seems to be the fashion now to sell out and move to Wellesley Park. J. Daly, F. K, Towne and J, V, Neuman are the latest additions to the Wellesleyites.

### Ready for Gathering of Knights.

Arrangements are complete for the reception of the Knights of Columbus next Sunday. The parade will form at the station at 10 a.m. and march up Broadway to Main street and countermarch on Broadway to Mount Carmel church. Solemn high mass with special choir will begin at 10:30. Rev. Father C. Myers of the Seminary will deliver the sermon. The celebrant of the mass will be Rev. W. McGee of Portland, Oregon; Deacon, Father Kunkel of the Seminary; subdeacon, Father Myers; master of ceremonies, Father Sullivan. After mass luncheon will be served by the ladies in Dingee Park. The afternoon will be given over to games.

### Woodmen Honor Dead.

Enbarkadero camp, Woodmen of the World, held impressive memorial exercises in Union cemetery Sunday. The members of the camp and Women of Woodcraft marched to the cemetery in a body and after services decorated the graves of deceased members with flowers. J. E. Cowgill delivered an address appropriate to the occasion, making feeling references to the Woodmen who had passed away.

### Another Pioneer Called.

Louis Poesenbacher, who owned the Eureka Brewery in this city at the time it was destroyed by fire, and lived in Redwood with his family up to four years ago, died in San Jose May 30th. Deceased was a native of Germany, aged 45 years, and leaves a wife and two young daughters.

The Chicago Ladies' baseball club will play a game with the local club next Monday afternoon at 3:30. Admission 35c, children 15c.

### Interesting Notes Picked Up By Hustling Reporters in the Country Districts.

#### Moss Beach Notes.

Moss Beach residents are preparing to enlarge their opportunities along social lines and some entertaining events are looked for in the near future. The latest organization is the Moss Beach Club, organized for social and intellectual improvement. The officers of the new Club are: H. C. Morse, president; P. E. Linster, vice president; L. A. Dugdale, secretary; J. F. Wienke, treasurer. One of the first public undertakings of the Club will be an entertainment to be given in celebration of the completion of the new school house.

Rev. R. Logan has succeeded Rev. Riddle as pastor of the congregations at Moss Beach, Granada and Salada. He will hold services at Salada Sunday mornings at 10:30, at Moss Beach in the afternoon at 2:30, and at Granada in the evening at 8 o'clock.

Brodie Bros., our local plumbers, have taken a contract to lay a considerable quantity of water pipe for the Realty Company.

D. A. Lancaster, who has been the president of the Ocean Shore Development Co., owners of the Marine View tract, since its organization, has retired from the concern, having disposed of his interest to W. H. Grooskhurst, an Oakland man.

L. A. Dugdale and family are occupying the Sutherland house until their new residence is completed.

#### Farallon.

Fred Dean and family have removed to Santa Cruz, where Mr. Dean has several contracts for cement work.

Mr. and Mrs. C. M. Johnson are enjoying an auto trip in Lake County.

D. S. Hinds has purchased an interest in the unsold lots in the Second Addition and is preparing to push them on the market.

A stranger, said to be a man of considerable means, has been here investigating the hydraulic pressed brick and stone plant with a view to its purchase. It is said that if the deal is made the plant will be enlarged.

James Negra, of Los Banos, is preparing to go into the poultry business here on a large scale. He has shipped in a large number of young chicks and in addition is preparing to run his incubators to their full capacity.

Ranchmen have been having a lively time and are often pressed for help. Several carloads of artichokes and other produce have been shipped from here direct to Eastern markets.

#### Montara Matters.

Mr. and Mrs. Amsler have mooved into their new residence on Acacia street.

Work on the new main sewer was commenced last week and is being pushed rapidly.

The Pioneer Club gave a most enjoyable dance last Saturday evening.

The young men of this place and Farallon have organized a baseball team and will soon be ready to meet all comers. The new team is composed of David Young, captain, R. E. Cline, manager, C. Erskins, T. Erskins, L. Erwing, H. Danielson, L. Cline, E. Price and R. Curryer.

The meeting of the Embroidery Club at Mrs Smelser's was a very enjoyable one. Coffee, sandwiches and cake were served by the hostess.

#### Doings at Colma.

J. Medo will soon commence the erection of a neat cottage on his lot recently purchased at Hillcrest.

The Republicans of Vista Grande are organizing a campaign club.

A. Volger has returned from San Francisco where he went to secure further medical attention for the injury recived to his arm last January while operating his bread mixing machine. While for a time it was feared that amputation would be necessary this has been avoided.

F. S. Knowles who has been quite ill with la grippe is able to be about again.

Mrs. Leslie who recently injured her hip so severely as to necessitate her removal to the German Hospital has almost entirely recovered.

While the firemen here are preparing for a celebration on the Fourth a very large number of the residents of this section will take in the big blowout at Redwood City.

#### San Bruno Happenings.

Advocates of the incorporation plan are pushing their proposition with energy and considerable hope of success. At the public meeting held to discuss the scheme the sentiment in favor of incorporation was very strong. A permanent organization was effected with the election of J. M. Custer as president and W. R. Emerick as secretary, and a committee consisting of Manuel Custodio, Bert Witham, L. H. Keel, H. A. Laumeister, A. H. Gillespie, W. R. Emeric and F. C. Russell was appointed to make a thorough canvas of the district and secure a more general expression of opinion. Much information on the legal aspect of the situation and methods of proceedure was given

CITY OFFICIAL PAPER

D. E. O'KEEFE, Editor and Proprietor

Chief Winter of the Fire Department desires to urge upon occupants of residences the importance of clearing away all dried grass and rubbish from about their yards before the Fourth. Not only is the grass and rubbish unsightly, but it is extremely dangerous, especially at such times as the Fourth when there is unusual danger of fire from the use of fireworks. This is a matter which every resident should attend to promptly and thoroughly.

### Should Sustain the Governor.

The determination of Governor Gillett to put a stop to the proposed Jeffries-Johnson fight should receive the hearty applause of every decent citizen. That this brutal "sport" has been so long tolerated is a disgrace to the State of California. Such exhibitions as these pander only to the baser elements of society, and that a man has at last been found with the backbone to officially cry a halt is a matter for congratulation.

No thinking man can for a moment doubt that in his order to Attorney General Webb the Governor is well within the law. At no time—except when endeavoring to circumvent the plain intent of the law—have the promoters of this enterprise characterized it as other than a prize fight pure and simple. Even now, when the matter is in the limelight of public legal opposition, the men who have the affair in charge can not refrain from the use of the term which plainly describes the intent of the affair.

For the sake of decency and the honor of the State it is to be hoped the courts will sustain the stand taken by the Governor, and that the ban of the law will be effectually put upon such disgraceful exhibitions. Should the courts unfortunately fail to sustain the views of Governor Gillett and determine that the present law is not sufficient, then the law should be amended at the first opportunity. Far better prohibit public boxing exhibitions altogether than to make it possible to so pervert the law as to make such affairs as this possible.

### A Public Spirited Action.

The decision of the members of the City Council to thoroughly investigate the methods of street paving in use by other municipalities is a wise and public spirited one. This work is of the utmost importance to the property owner and taxpayer, and one upon which we cannot afford to make a mistake. At the best, street improvements are costly and should be made as nearly permanent as circumstances will permit. At the same time the cost to the people who are compelled to foot the bills should be kept to the lowest limit consistent with practicable work.

If we can profit by the experience of others it is the part of wisdom that we should take advantage of the opportunity. That this may be done, and thus possible serious and costly errors avoided, the widest possible investigation should be made. While the Trustees have made no suggestion that their expenses while making these investigations should be borne by the public, we are of the opinion that the city could well afford the outlay and in reality should do so. It must be remembered that our Trustees are paid no salary, and we have no right to ask that they should devote their private means in addition to their time to the public good. Especially is this the case where, as in this instance, the investigation may result in the ultimate saving of very considerable sums to the taxpayer.

In a city of this size, costly paving in the residence district is a serious question for the ordinary householder to face. The man of small means and a limited income, with his little home, can ill afford an expensive pavement, no matter how desirable it may seem. At the same time he can less afford to pay for a pavement of any character, no matter how small the present cost may appear, that does not give promise of reasonable permanency.

# MAKE FEW CHANGES

## Only One New Teacher in Faculty of Sequoia Union High School.

The Faculty of the Sequioa Union High School for 1910-1911 with one exception will be the same as for the year which closed May 27th, and is as follows::

S. P. McCrea, principal, History, civics and economics.

Miss Ethel Swain, english and elementary algebra.

Miss Katherine Wolfenden, latin, German, and ancient history.

Geo. N. McDaniels, mathematics and physical science.

Otis M. Carrington, drawing and music.

Branson E. Myers, commercial branches.

The new teacher, Geo. N. McDaniels, took his A. B. at Harvard in 1899 and his A. M. there in 1900. For one year he was principal of a high school in Connecticut; and for six years was employed in the schools of St. Louis as teacher of mathematics and chemistry in one of the high schools, and later as principal in succession of the Madison and McKinley grammar schools, For the past year he has been engaged in graduate study at the University of Chicago. Before Miss Anthony resigned she had arranged for advanced work in mathematics as shown by the course outlined in the manual. Next year those senior students who are fully up in their work in the scientific course will be permitted to take trigonometry and higher algebra. The purpose of this change is to better prepare our students to begin the study of engineering at Stanford; and to so arrange our mathematical work that we may hope to receive University credits for four year's work.

Next year Mr. Carrington will do a full half day's work in drawing. In the future students taking the literary course will be permitted to substitute advanced work in free hand drawing for second year algebra; and those who can carry 4½ studies each term will be able to get four year's instruction in free hand drawing for one period a day. This ought to meet all demands in this line for some years to come, and those with artistic talent will have a chance to develop it while they are getting a full high school course. Arrangements have been made with the head of the Art department at Stanford to credit the advanced work to be done in free hand drawing We can thing of no reason for a Redwood grammar school graduate going away from home for training in drawing. When work in manual training and domestic science are added, we shall be abreast of the most progressive high schools in the state, and they will come with the growth of the town and school.

### Palo Alto Justice Resigns.

N. B. Nelson, police judge of Palo Alto, has filed his resignation with the city council to take effect at once. Mr. Nelson announces his intention of leaving Palo Alto in about a month to go to Eugene, Ore., where he will form a law partnership with Hjalmer Holmquist, former assemblyman of San Mateo county. Mr. Nelson and Mr. Holmquist are both graduates of the law department of Stanford University and are young men of striking ability who have won recognition in an official way soon after entering upon the practice of the law.

# COBURN CASE STILL ON

## Aged Millionaire Making Hard Fight For Right to Manage His Estate.

During the incompetency proceedings Tuesday against Loren Coburn Azro Coburn, a Holyoke Capitalist, testified that the various efforts he has made to have his uncle declared of unsound mind have already cost him $15,000. Coburn's mysterious will, drawn on September 24, 1907, by Attorney J. J. Lehrman of San Francisco, five months before the first incompetency proceedings was instituted, was today produced by Carl Coburn as the result of a court order. Under its terms the income from $100,000 was left in trust to Wallace, the incompetent son, $50,000 going to Miss Sitira S. Upton on his death, the remainder to Carl's wife, and the total balance of the estate to eastern relatives. Jehiel, brother of Loren and foster father of Carl was named as executor.

It is now argued by the "prosecution" that the instrument was invalid on account of the absence of a subscribing witness at the time of the signing and the aged landholders condition then, but the "defense" holds that the instrument was in reserve in case incompetency proceedings failed.

Coburn failed properly to describe certain property he owned in Fresno when on the stand and also to give a correct value of his income. Arnold, the clairvoyant, will not be placed on the stand.

The proceedings are still on and it may be some weeks yet before the evidence is all in. The petitioner closed his case on Wednesday whereupon Coburn's attorneys moved for a non-suit and argued the matter at length but the Court promptly denied the motion and respondent at once began the introduction of evidence in his behalf. The evidence thus far shows that old man Coburn has lost that shrewdness and business tact that in former years made him a remarkable man. His mind has failed and if the evidence may be relied on his declining years will be unhappy. In making contracts and attending to his business generally for the past 5 years the petitioner has sought to show how easily he was imposed on by designing persons. He was unable to accurately count money. At this he had no equal in the earlier part of life. Age has made its inroads and the old man's mind like his physical condition is tottering. He was put to rather a severe test. It demonstrated the man he must have been in former years. He has many witnesses here and will endeavor to show he is still able to care for his vast properties.

There will be a brief respite in the case for on Thursday evening an adjournment was taken to allow the attorneys to take some depositions in San Francisco. The trial will be resumed on Tuesday.

Hilbert to recover the sum of $1000 on a promissory note secured by a mortgage on lots 41 and 43 Schoolhouse Extension Homestead. On June 15, 1905 Coakley executed a note in favor of F. H. Hilbert for $1000. Before the commencement of the action and after the note and mortgage had been assigned to plaintiff, Wrenden asked Hilbert to become ta co-plaintiff holding that he was an obligee. He refused and was made a defendant. Plaintiff asks for costs of suit and that a commissioner be appointed to sell the property.

### Settled Out of Court.

The several suits by the BelleAir real estate agents against the Hensley-Green Co. and others have been dismissed in the Superior Court.The judgments aggregating $4100 against the company have been paid in full The suits were brought to secure damages for false imprisonment.The defendants arrested the Belle Air agents for taking intending purchasers from San Bruno Park to Belle lots.

### Will Ask for New Trial.

The defendants, through their attorneys, Ross and Ross, in the case of William Schmitz against Edward Cordero and Annie Cordero have given notice that they will apply for a new trial. The grounds for such a request are, insufficiency of the evidence to justify the findings and decision, that the decision is against law, errors in law occuring at the trial and excepted to by defendants.

### Lovie Wants a Square Deal.

The following is a copy of letters sent the San Francisco dailies by Chairman Geo. W. Lovie of the Fourth of July Committee:

Manager ——, San Francisco, Cal.

Dear Sir;—On behalf of your subscribers in this vicinity who are interested in our proposed celebration of the Fourth of July, I address you for the purpose of obtaining an understanding as to why the reporter of your paper has entirely ignored our proposed celebration and which has been in preparation for some time and promises to be a great County affair, while said reporter telegraphs almost daily any choice morsel of slander or sensational news that he may either be cognizant of or evolves from his own inner consciousness.

It appears to my mind that the circulation of your paper in this community would justify a better service in your news columns.

Yours truly,
GEO. W. LOVIE,
Chairman, Fourth of July Committee.

# FAST OF FAMILY CALLED HOME

## Only Surving Son Dies Within Few Days After Funeral of Father.

John J. Nash passed away last Saturday at his home in Ravenswood after a brief illness caused by a stroke of paralysis. His aged father preceded him to the grave just ten days before and had the latter lived he would have seen all his children—three daughters and four sons—gathered to their Father in that land beyond the grave. John Nash was 55 years of age and was a native of Pennsylvania. In early life he learned the printer's trade in the office of the Times-Gazette and was considered an expert mechanic. When Duncan McPherson sold the papper and moved to Santa Cruz he took the deceased with him and made him foreman of the Sentnel, a position he held for many years. He was very popular at Santa Cruz and at one time could have had most any elective office in that county. For a number of years he was chief of the fire department and on several occasions he was given testimonials for his activity and good work done in the department. He was also City Clerk for several terms. Mr. Nash possessed a bright intellect and was a writer of no mean ability. He spent his boyhood in this city having come here with his parents from Pittsburg. For over twenty years past he resided with his father at Ravenswood devoting his time and energies to farming. He was laid to rest Monday beside his father, mother, sisters and brothers in Holy Cross Cemetery. He was the last member of the Nash family.

### Will Hold Big Reunion.

The Irish residents of Santa Clara and San Mateo Counties will hold a great Reunion at Blackberry Farm in Santa Clara County, on Sunday, June 26th, 1910.

Blackberrry Farm is a beautiful spot and is located near Monte Vista Station on the Interurban Railroad. Special cars from Palo Alto are to be provided, and a special rate furnished covering admission to everything. Mr. John O'Farrell of Fair Oaks, San Mateo County has charge of the affair in this vicinity and he is prepared to furnish tickets and all necessary information Mr. O'Farrell is anxious to see that Menlo Park, Redwood, Fair Oaks, Palo Alto, Mayfield, Los Altos and Mt. View and surrounding country is well represented in the great gathering of the sons and daughters of Erin that is to be held at Blackberry Farm on Sunday, June 26th.

Conveyances will be furnished from Menlo and Fair Oaks to Palo Alto, where the special cars will be boarded.

The people of San Jose, Gilroy and Santa Clara and all parts of Santa Clara County are making preparations to attend the big reunion.

The best of barbecued meats will beg served. Dancing and games of all kinds will take place. Athletes and dancers from San Francisco and Oakland will be on hand to compete for prizes. The proceeds of the affair go to help defray expenses of entertaining delegates to the State Convention of Hibernians at San Jose in August of this year.

Let us hope that all the people of this neighborhood will take a trip to Blackberry Farm where a grand time will certainly take place. The affair is not for the Irish alone, but all their friends are invited to attend.

# TRUSTEES INSPECT STREET PAVEMENT

## Members of City Council Spend Day Investigating Work of Neighboring Towns

Following the understanding reached at the last meeting of theCity Council, the Trustees spent Tuesday in making an investigation of the various kinds of street pavement is use by neighboring municipalities. While not as many places were visited as had been intended, owing mainly to lack of time and their inability to secure suitable transportation connections, much valuable information was collected. In each of the places visited the Trustees devoted themselves to a careful study of the work.. making careful investigation of both the durability of the several pavements used and their comparative cost.

In speaking of the trip, Mayor Merrill expressed much satisfaction with the information gained, and expressed the hope that in the end the information secured would be of considerable advantage in the consideration of the street work proposed for Redwood City. He also expressed the opinion that it would be the part of wisdom to make still further investigation before decisive action is taken. At the same time he spoke with much gratification of the courtesies shown the Trustees by those in touch with this class of work at the places visited.

The first place visited was San Mateo, where the party were taken in charge by Street Superintendent Bartlett and afforded a thorough opportunity for investigation and given much information as to methods used and cost of the work. Here the Trustees were shown over the plant of the Barber Asphalt Company and given an opportunity to inspect the machinery used in mixing and preparing the asphalt concrete with which many of the streets of that city are paved. As used at San Mateo the asphalt is het to a high degree and when quite thin is mixed with coarse rock and gravel and then applied to the roadway where it is compacted by the use of a heavy roller, and upon this is laid a smooth wearing surface material. While this was found to make an excellent street surface and one that gives promise of excellent lasting qualities, it said to be rather expensive.

From San Mateo the party went to Burlingame, where nearly the same materials, with some important modifications are used. As constructed at Burlingame, the esphalt concrete is composed of the same hot asphalt but with much smaller rock and gravel in the mixture. By this means the necessity of the addition of the top dressing, or wearing surface, is avoided and the expense is materially reduced. As thus mixed Mayor Merrill appears to be of the opinion that the substance will thoroughly adhere and will not disintregrate with any ordinary wear. At the same time with this lessened cost the expense at Burlingame does not exceed 17½ cents per square foot, with a probability that there might be some reduction in this cost if used here to an extent that would justify the moving of a plant to this location.

At Belvidere, where the party next went, they were given an opportunity to examine the reinforced concrete pavement which is in rather extensive use at that place, and where the conditions of its use and the severe grades have given it a rather thorough test. As a rule it was found that the paved portions of the roadways where the reinforced concrete was used were rather narrow and for that reason teams were compelled to travel much over the same tracks, yet this pavement was said by drivers who had used the streets constantly to be giving excellent satisfaction. So far the streets show no signs of depressions, while the surface is in perfect condition.

It had been the intention of the Trustees to continue the trip to the other side of the bay and make an examination of the streets of Oakland and Alameda, where several kinds of pavements have been in use. An examination of the time table of the afternoon ferries however, showed that it would be impossible to make connections so as to allow of a proper examination of the work during the remainder of the day, and it was deemed best to postpone this portion of the trip until some future time.

## MEMORIAL DAY AT VETERANS' HOME

### Colonel Fonda Writes of Observances Among Uncle Sam's Disabled Defenders.

The following communication from one of Redwood City's old veterans, shows that the "old boys" passing the winter of life under the care of the country they served so well, cherish fond memories of the comrades they left on the field of battle:

Veterans Home, Napa Co., Cal., May 30th, 1910.

Editor Times-Gazette:

Memorial Day at the VeteransHome is being observed with the usual display of sentiment and Brotherly Love as of yore. A very large body of Veterans, about 800 strong formed at 10 a. m. commanded by Brig. Gen. Chas. A Woodruff, marched with the same military precision as in the Halcyon days of '61, to the cemetery, where, under the auspices of Unity Post G. A. R. and the Ladies Auxiliary a profusion of flowers were scattered above the remains of all who "Answered the Last Roll-Call", a noticable feature being the correct military precision in which all seemed to take especial pride. The afternoon ceremonies in Social Hall consisted in listening to a stirring and interesting address by Brig. Gen. Woodruff, annd others ending with the Flag ceremony; the weather being auspicious, the ceremonies passed off in an enjoyable manner.

A. S. FONDA, Veterans Home

### Claim Railroad Right of Way.

Two deeds were filed in the Recorder's office yesterday afternoon by which the late John D. Doyle transfers to his sons, John J. Doyle and Francis M. Doyle his interest in the railroad right of way between this city and Menlo Park.

The deed recites that in 1865 John T. Doyle deeded to the San Francisco and San Jose Railroad, (now the Southern Pacific) a certain strip of land 80 feet wide between the southerly limits of this city and Menlo Park for a track right of way, to be held and used by the company during its corporate existence, after which the land and tracks were to revert back to the grantor or his assigns. It is set forth in the deeds that the right to the property by the company will terminate in August next and become the property of Mr. Doyle's heirs. The deeds were filed by attorney P. G. Galpin of San Francisco.

### More Troubles for San Bruno.

The San Bruno school district is again in trouble. Some time ago the district voted $25,000 for a new school building and furnishings and called for bids. The bid of Weeden Brothers was $17425 and that of Mr. McMillian of Vista Grande $19025. The latter was awarded the contract, he agreeing to hire all local workmen. Superintendent of Schools Roy W. Cloud now will not approve the plans for the reason that they are not the original ones upon which estimates were given. McMillian will not go to work and for the time the matter is "up in the air." It is not known what the next move of the Trustees will be. For over three years they have been trying to get a new school building and have thus far been unsuccessful.

### Death Claims Ahotner Pioneer.

Charles A. Brittan who was born on the Brittan ranch near this city 30 years ago, died in Alameda Saturday and was interred in Mount Olivet cemetery Monday. The deceased was the youngest son of M. L. Brittan, once a prosperous farmer here, whose strange disappearance 30 years ago was one of the sensations of the time. The mother of the deceased was a Miss Ayres, a daughter of the late Charles Ayres, one of this city's well-known residents. She too passed away, heart-broken at the loss of her husband. Of the family there remains an only daughter, Marie Louise Brittan, an elder brother having also died.

### Attend Fraternal Aid Convention.

Charles T. Cook and wife, F. E. George and wife and Mrs. HarryJamieson attended the Fraternal Aid district convention at Hollister on the 11th instant as delegates from Redwood Council, 557. About 150 delegates were present who were royally entertained by the Hollister council.

### Compliments Redwood Boy.

The vice president of Stanford University who has charge of the Civil engineering and geology department has written to a party in town paying Philip Fox of this city a decided compliment. The professor says that he is the brightest student he has ever had in his department. He pays a glowing tribute to the young man's ability. Mr. Fox is a graduate of Sequoia and reflects credit on the high school.

## THE OTHER FELLOW CAN CROW

### Redwood Team Goes to San Mateo To Find First Defeat.

Over two hundred local residents and a drum corps went to San Mateo Sunday to witness the baseball game between the local nine and San Mateo. The result was Redwood's first defeat, the score being 5 to 1 The two teams will meet again on the local diamond on July 4th. The San Mateo Council No. 1246, Knights of Columbus will celebrate their anniversary at Redwood next Sunday. Arrangements have been made with the directors of the ball club, and the knights in a body, will attend the game to be played between the local nine and the Barney Frankels. This game will be called at 2 o'clock sharp in order to give the Knights of Columbus team a chance to play a game, so there will be a long and interesting session of baseball Sunday.

Last Saturday the Islands met the Arrows of Wellesley Park and defeated them by a score of 6 to 5. On the same day the Five Points defeated the Tacomas by a score of 2 to 1. Twelve innings were played.

## RESULTS THAT REMAIN

### Are Appreciated by Redwood City People.

Thousands who suffer from backache and kidney complaint have tried one remedy after another, finding only temporary benefit. This is discouraging, but there is one special kidney medicine that cures permanently and there is plenty of proof right here in Redwood City.

Here is the testimony of one who used Doan's Kidney Pills years ago, and now states that the cure was lasting.

Fred Haussler, 101 Stambaugh street, Redwood City, Cal., says: "My kidneys were badly disordered and the secretions from these organs were unnatural. Knowing that difficulties of this kind often resulted seriously if allowed to go unchecked, I was anxious to get relief. Seeing Doan's Kidney Pills highly recommended, I got a box at P. A. Ryan's drug store and their use completely removed the symptoms of my trouble. In July 1907, I publicly testified in favor of Doan's Kidney Pills and at this time I gladly confirm that statement. During the past two years, I have been free from kidney complaint. This fact justifies my speaking more highly than ever of Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

## Assessor's Instructions

### To Owners of Real Estate and Personal Property

The law requires each and every person who owns any class of property to annually, during the months of March, April or May, file a statement with the Assessor or his deputy in the county where the property is located. You should give a statement of all property owned by you on the first Monday in March at 12 o'clock m.

If you hold mortgages against others send in a mortgage statement showing amount due on each mortgage on the first Monday in March at 12 o'clock m.

No change can be made by the Assessor after he turns his books over to the Board of Supervisors on the first Monday in July The Board then sets as a Board of Equalization during the month of July.

Remember, if you fail to give in your assessment you fail to comply with the law and may cause yourself, the Assessor and Tax Collector much trouble, and very likely cause yourself expense.

It is much more satisfactory to the Assessor, as well as to yourself, to have your assessment correct when you go to pay your taxes.

C. D. HAYWARD,
Assessor San Mateo County.
